Digital SLR photography will overwhelm you with jargon, but you and I both know that's not what photography is all about. When I first started out, I couldn't find any course or guide that actually helped me become a better photographer. Everything out there was either packed to overflowing with technical terms or far too expensive for my means. All I wanted was to know how to take the photographs I could see in my mind - and nobody was helping me do that. That's why I've written this guide - so you don't have to go through what I did. Give Me Just 48 HOURS and I'll Make You TEN Times a Better Photographer And I will do it for less than the cost of a cup of coffee. Signing up for an expensive course can cost you upwards of \$1000.
