MySpanishLab is the most horrendous website i have ever attempted to use for class work. It's extremely vague in what it's asking of you, uses vocabulary that is not often/never used in Spanish speaking countries, never reviewed in class, never loads correctly, penalizes for anything that you could possibly think of (spaces, capital, accent, etc.), takes HOURS to complete numerous assignments ...

A complete introductory Spanish course for Healthcare Professionals, *Salud!* is built around an interactive Video program, allowing you to experience realistic conversation in Spanish in a medical setting. The video is supported by a wealth of explanations, activities, and practice.

For courses in Elementary Spanish A communicative program that places culture front and center *Mosaicos: Spanish as a World Language* offers instructors the truly communicative, deeply culture-focused approach they seek while providing the guidance and tools students need to be successful using a program with highly communicative goals. With *Mosaicos*, there is no need to compromise. Recognizing the importance of the relationship between culture and language, the authors place culture front and center throughout, creating for students a multifaceted experience of the intricate mosaic of the Spanish language and its cultures. The 7th Edition offers new Integrated Performance Assessments that make measuring learning outcomes easier than ever. Available packaged with MyLab(tm) Spanish, packaged with the Pearson Single Solution, or as a standalone text. MyLab is the teaching and learning platform that empowers you to reach every student. By combining trusted author content with digital tools and a flexible platform, MyLab personalizes the learning experience and improves results for each student. The Pearson Single Solution allows students to complete their assigned language practice on their mobile devices using Duolingo, the world's leading language learning app. It also enables instructors to create their entire course inside the campus Learning Management System, simplifying the way they use Pearson-provided content in language courses. Note: This loose-leaf, three-hole punched version of the textbook gives you the flexibility to take only what you need to class and add your own notes -- all at an affordable price. Students, if interested in purchasing this title with MyLab or the Pearson Single Solution, ask your instructor to confirm the correct ISBN and Course ID. Instructors, contact your Pearson representative for more information.

ALERT: Before you purchase, check with your instructor or review your course syllabus to ensure that you select the correct ISBN. Several versions of Pearson's MyLab & Mastering products exist for each title, including customized versions for individual schools, and registrations are not transferable. In addition, you may need a CourseID, provided by your instructor, to register for and use Pearson's MyLab & Mastering products. Instructors now face many challenges: Decreased classroom contact hours, increased instructor and student workloads, larger class sizes, new course models like hybrid and fully online and more ambitious classroom goals including focusing on practical communication and culture awareness instead of grammar alone. The ¡Anda! program offers a true solution for instructors by delivering realistic goals with a realistic approach; focusing on student motivation and offering a variety of tools to promote success. Teaching and Learning Experience Realistic and Balanced Approach - Instructors and students don't have to rush through the entire scope of Spanish grammar in 2 semesters. They can focus on practical communication which helps students feel more motivated and successful in the course. Explore Grammar - Grammar is chunked to allow students to assimilate and practice without feeling overwhelmed. Explanations are clear and concise and include many supporting examples followed by practice activities. Build Vocabulary - Each chapter contains a realistic number of new vocabulary words and like grammar, is presented in chunks at the point of need. Develop Skills - Unique reading and video storyline mystery motivates students to read. Dedicated speaking, listening and writing sections provide strategies and the process necessary to effectively develop skills in the target language. Connect with Culture - Both "high" and "popular" culture are woven throughout the chapters to enable students to learn to recognize and appreciate cultural diversity as they explore behaviors and values of the Spanish-speaking world. They are encouraged to think critically about these cultural practices and gifts to society. Personalize Learning - MySpanishLab's proven results will be available for fall 2012 courses. "Gente "is the only truly task-based program that transports you, the learner, into an immersive environment. Learners interact with authentic language from the Hispanic world through a series of carefully-sequenced communicative activities culminating in a real-life task. "Tasks" are collaborative projects that integrate speaking, listening, reading and writing to complete them with the skills that are needed to communicate effectively in the real world! With "Gente," you learn by "doing," communicate with a purpose and emerge as an independent learner with the confidence to speak Spanish in a spontaneous, natural way.

Designed with you in mind The ¡Anda! program is based on the National Foreign Language Standards. The five organizing principles (the 5C's)

of the Standards for language teaching and learning are at the core of ¡Anda!: Communication, Cultures, Connections, Comparisons, and Communities. Each chapter opener identifies for the instructor where and in what capacity each of the 5C's are addressed. Teaching and Learning Experience The ¡Anda! program provides practical responses to the challenges today's Spanish instructors are facing. Its innovations center around three key areas: -Realistic goals with a realistic approach -Focus on student motivation -Tools to promote success The Books à la Carte Edition is an unbound, three-hole punched version of the textbook and provides students with the opportunity to personalize their book by incorporating their own notes and taking only the portion of the book they need to class - all at an affordable price. Note: MyLanguageLabs does not come automatically packaged with this text. To purchase MyLanguageLabs access, please visit: www.mylanguagelabs.com or you can purchase a valuepack of the à la carte text + MyLanguageLabs 24-month access (ISBN: 0205483690).

Students of Introductory Spanish learn best when they are connecting—with authentic culture, with each other as a community, and with the language as used in real-world settings. Conéctate sparks the curiosity that builds these connections as students drive toward communicative and cultural confidence and proficiency. The Conéctate program's distinctive approach is built around the following principles. Focused approach: Conéctate concentrates on what Introductory Spanish students can reasonably be expected to learn, allowing for sustained engagement with the material that respects the natural process of language acquisition. An intentional focus, first on meaning and then on form, puts in action the best practices of second language pedagogy. Plus, Conéctate's reduced grammar scope leaves more time for the systematic review and recycling of vocabulary and grammar required for students to achieve mastery of first-year skills. Fortifying this process at every turn is LearnSmart™, a powerful, super-adaptive learning program that guides students on an individualized path toward mastery of all the vocabulary and grammar in Conéctate. Active learning: Conéctate gives students the opportunity to explore language and culture through interactive activities that keep them focused and engaged. Vocabulary and grammar in Conéctate are taught using an active learning approach, nudging students to discover new vocabulary and language rules through a carefully balanced mix of inductive and explicit presentations and hands-on learning. Students are similarly asked to take an active role

in an immersive online game, Practice Spanish: Study Abroad, designed around a study abroad experience in which they leverage their language and cultural skills to accomplish tasks and solve problems in various real-world scenarios. Integration of culture: Building on the active learning theme, students develop and apply critical thinking skills as they draw personal conclusions about the rich culture presented throughout Conéctate. Culture is embedded within the language activities themselves, included in notes that expand on the activity at hand, and seen through the integrated video that forms the basis for many activities in each chapter of the text. This authentic, unscripted video introduces students to useful chunks of language, real-world Spanish, and a wide range of topics related to cultural themes. Conéctate's stunning video was shot in Spain, Panama, Miami, Argentina, Costa Rica, and Mexico, and exposes students to a wide variety of people in each country who discuss topics that are familiar and engaging to students. Mobile Tools for Digital Success: The digital tools available in the Connect Spanish platform with Conéctate also successfully promote student progress by providing extensive opportunities to practice and hone their developing skills. These learning opportunities include online communicative activities, instant feedback, peerediting, sophisticated reporting, an immersive game, and an interactive eBook with embedded video and audio. The mobile-friendly platform allows students to engage in the course material anytime and everywhere. Connect is the only integrated learning system that empowers students by continuously adapting to deliver precisely what they need, when they need it, and how they need it, so that your class time is more engaging and effective. *Connect Spanish, including but not limited to the workbook/lab manual, LearnSmart, Practice Spanish: Study Abroad, the video program, and chat tools, is sold separately and does not come automatically with the purchase of the textbook.
