The Goddess War begins in Antigoddess, the first installment of the new series by acclaimed author of Anna Dressed in Blood, Kendare Blake. Old Gods never die... Or so Athena thought. But then the feathers started sprouting beneath her skin, invading her lungs like a strange cancer, and Hermes showed up with a fever eating away his flesh. So much for living a quiet eternity in perpetual health. Desperately seeking the cause of their slow, miserable deaths, Athena and Hermes travel the world, gathering allies and discovering enemies both new and old. Their search leads them to Cassandra—an ordinary girl who was once an extraordinary prophetess, protected and loved by a god. These days, Cassandra doesn't involve herself in the business of gods—in fact, she doesn't even know they exist. But she could be the key in a war that is only just beginning. Because Hera, the queen of the gods, has aligned herself with other of the ancient Olympians, who are killing off rivals in an attempt to prolong their own lives. But these anti-gods have become corrupted in their desperation to survive, horrific caricatures of their former glory. Athena will need every advantage she can get, because immortals don't just flicker out. Every one of them dies in their own way. Some choke on feathers. Others become monsters. All of them rage against their last breath. The Goddess War is about to begin. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

He was Apollo, the sun, and he'd burn down anything that tried to hurt her... Cassandra and Aidan are just your average high-school couple. Or so Cassandra believes. Blissfully unaware that she was once a powerful prophetess, Cassandra doesn't even know that god exist...Until now. Because the gods are dying - and Cassandra could hold the answer to their survival. But Aidan has a secret of his own. He is really Apollo, god of the sun, and he will do anything to protect the girl he loves from the danger that's coming for her. Even if it means war against his immortal family... Sexy, irresistible characters; romantic and mythological intrigue; relentless action and suspense - ANTIGODDESS is the YA novel you've been waiting for.

In the final book in the #1 New York Times bestselling Three Dark Crowns series, an all-out war is brewing—one that will pit sister against sister and dead against undead. After the grim confrontation with Queen Katharine, the rebellion lies in tatters. Jules's legion curse has been unbound, and it is up to Arsinoe to find a cure, even as the responsibility of stopping the ravaging mist lies heavy on her shoulders, and her shoulders alone. Mirabella has disappeared. Katharine's reign remains intact—for now. When Mirabella arrives, seemingly under a banner of truce, Katharine begins to yearn for the closeness that Mirabella and Arsinoe share. But as the two circle each other, the dead queens hiss caution—Mirabella is not to be trusted. In this conclusion to the Three Dark Crowns series, three sisters will rise to fight as the secrets of Fennbirn's history are laid bare. Allegiances will shift. Bonds will be tested. But the fate of the island lies in the hands of its queens. It always has.

Nothing ever happens in Norway. But at least Ellie knows what to expect when she visits her grandmother: a tranquil fishing village and long, slow summer days. And maybe she'll finally get out from under the shadow of her way-too-perfect big brother, Graham, while she's there. What Ellie doesn't anticipate is Graham's infuriating best friend, Tuck, tagging along for the trip. Nor did she imagine boys going missing amid rumors of impossible kidnappings. Least of all does she expect that something powerful and ancient will awaken in her and that strange whispers will urge Ellie to claim her place among mythological warriors. Instead of peace and quiet, suddenly there's a lot for a girl from L.A. to handle on a summer sojourn in Norway! And when Graham vanishes, it's up to Ellie—and the ever-sarcastic, if undeniably alluring, Tuck—to uncover the truth about all the disappearances and thwart the nefarious plan behind them. Deadly legends, hidden identities, and tentative romance swirl together in one girl's unexpectedly epic coming-of-age.

Sonya has brought a foreign army to free her country from imperial rule, but her allies may have other goals in the second book of this thrilling epic fantasy trilogy from Jon Skovron. The first battle is over, but war yet looms on the horizon. Sonya and her allies--the foreign Uaine and their armies of the undead--have beaten the imperial soldiers and ousted them from Izmoroz. Now they have the rest of the empire to free. Meanwhile, betrayed by his sister, his homeland, and his fiancé, Sonya's brother the famed wizard Sebastian has retreated with the imperial forces. But another traitor is waiting in the capital, and enemies of the throne may hide in plain sight...

It's a night like any other on board the Icarus. Then, catastrophe strikes: the massive luxury spaceliner is yanked out of hyperspace and plummets into the nearest planet. Lilac LaRoux and Tarver Merendsen survive. And they seem to be alone. Lilac is the daughter of the richest man in the universe. Tarver comes from nothing, a young war hero who learned long ago that girls like Lilac are more trouble than they're worth. But with only each other to rely on, Lilac and Tarver must work together, making a tortuous journey across the eerie, deserted terrain to seek help. Then, against all odds, Lilac and Tarver find a strange blessing in the tragedy that has thrown them into each other's arms. Without the hope of a future together in their own world, they begin to wonder???would they be better off staying here forever? Everything changes when they uncover the truth behind the chilling whispers that haunt their every step. Lilac and Tarver may find a way off this planet. But they won't be the same people who landed on it. The first in a sweeping science fiction trilogy, These Broken Stars is a timeless love story about hope and survival in the face of unthinkable odds.
