A music professor finds herself mixed up in a world of vampires, immortals, and humans with extraordinary gifts in this paranormal romance. Once, Sarah Bingham's biggest challenge was making her students pay attention in class. Now, after rescuing a wounded stranger, she's landed in the middle of a battle between corrupt vampires and powerful immortals who also need blood to survive. Roland Warbrook is the most compelling man Sarah has ever laid hands on. But his desire for her is mingled with a hunger he can barely control... In his nine centuries of immortal existence, no woman has tempted Roland as much as Sarah. But asking her to love him is impossible—when it means forfeiting the world she's always known, and the life he would do anything to protect... “These dark, kick-ass guardians can protect me any day!”—Alexandra Ivy New York Times bestselling author “This is a strong start in what looks to be a thrilling and chilling new paranormal series. Fantastic!”—RT Book Reviews “Electrifying, Funny, Lust-inducing, and Inventive.”—Fresh Fiction Praise for New York Times Bestselling Author Dianne Duvall's Immortal Guardians series “If you love J.R. In this USA Today–bestselling paranormal romance, a gifted assassin and a handsome vampire join forces to tackle an evil conspiracy. Krysta is used to getting the drop on vampires. Her “special abilities” aren't much, but the plan is simple—she plays helpless pretty young thing to lure them in. Then her shoto swords come out and it's bye-bye, bloodsucker. Until one night she finds herself with an unexpected ally. He's a vampire, all right, but different. Mysterious. Handsome. And more interested in saving her skin than draining it. Étienne has been an Immortal Guardian for two hundred years—long enough to know that Krysta is special. He can't stop thinking about her long legs, even more than her short swords. Then he discovers the vamps she's exterminating have friends in high places, and the Guardians are in danger too. He'll have to accept Krysta's help to save them. The stakes for a mortal are high. But the cost to his heart might be higher... “Duvall is fast proving to be a major player in paranormal romance.”—RT Book Reviews “The Immortal Guardians series is one you'll want to follow.”—The Romance Review “These dark, kick-ass guardians can protect me any day!”—New York Times–bestselling author Alexandra Ivy on Darkness Dawns

A doctor and a reformed bad-boy vampire struggle with danger and their desires in this New York Times–bestselling paranormal romantic suspense novel. Dr. Melanie Lipton is no stranger to the supernatural. She knows immortals better than they know themselves, right down to their stubborn little genes. So although a handsome rogue immortal seems suspicious to her colleagues, Sebastien Newcombe intrigues Melanie. His history is checkered, his scars are impressive, and his ideas are daring. But it's not his ideas that have Melanie fighting off surges of desire... Bastien is used to being the bad guy. In fact, he can't remember the last time he had an ally he could trust. But Melanie is different—and under her calm, professional exterior he senses a passion beyond anything in his centuries of experience. Giving in to temptation is out of the question—he can't put her in danger. But she isn't asking him... RT Book Reviews “With this excellent entry, rising star Duvall is fast proving to be a major player in paranormal romance!”— “With a deeply emotional love story, two beautiful, complex main characters, and a pulse-pounding adventure that won't let up, this book was haunting and addictive.”—The Romance Reviews

When Ami saves an immortal protector from a vicious vampire attack, she finds herself attracted to him, but Marcus, while admiring her

bravery, does not want to take her on as a partner.

In this paranormal romance novella, a sexy Immortal has the power to save a single mother from more than just bloodthirsty vampires... It's not the first time Immortal Guardian Richart d'Alençon has saved a human life from eternal damnation. Usually, he moves on, a nameless savior like a ghost in the night. But this time he can't seem to forget the woman who rewarded him with a sensuous kiss after he rescued her from a trio of vampires. While Richart knows that loving a human can only bring trouble, the taste of forbidden lust is too great to resist... Jenna never imagined she'd end up a single mom working overtime to put her son through school. But she might have daydreamed once that a devastatingly gorgeous Frenchman would sweep her off her feet. Now that a package of tall, dark, and handsome seems intent on doing just that, doctors are telling her she may not have long to live. But Richart is telling her just the opposite. All she has to do is abandon her humanity... *Originally published in *Predatory** Includes a special sneak peek of the next novel in the series, *Night Unbound* Praise for New York Times–bestseller Dianne Duvall and the Immortal Guardians series “Duvall is a major player.”—RT Book Reviews “The Immortal Guardians series is one you’ll want to follow.”—The Romance Review “These dark, kick-ass guardians can protect me any day!”—New York Times–bestselling author Alexandra Ivy on *Darkness Dawns* “Whizzing along at light speed...this sophomore effort sizzles.”—Publishers Weekly on *Night Reigns*

"Seth has led the Immortal Guardians for thousands of years. With them fighting by his side, he has protected humans from psychotic vampires, defeated corrupt mercenary armies, defended military bases under attack, and more. But the latest enemy to rise against the Immortal Guardians has proven to be a formidable one, wielding almost as much power as Seth. His goal is simple. He wants to watch the world burn. And he will use every means at his disposal to accomplish it. Seth and his Immortal Guardians have succeeded thus far in staving off Armageddon despite heartbreaking losses. But they have never before faced such danger. Leah Somerson has suffered losses of her own. It has taken her a long time to rebuild her life and find some semblance of peace. Then one night a tall, dark, powerful immortal with what appears to be the weight of the world on his shoulders stumbles into her shop, and everything changes. Peace and contentment are no longer enough. Now she wants more. She wants to find happiness. She wants to erase the darkness in Seth's eyes and replace it with love and laughter. She knows he's different in ways that make most fear him. Even some of his immortal brethren keep a careful distance. But Leah will not. Nor will she shy away when danger strikes. Contains mature themes."--publisher's description.

Delve into an exciting new stand-alone novel in New York Times bestselling author Dianne Duvall's "fast-paced and humorous" (Publishers Weekly), "utterly addictive" (RT Book Reviews) Immortal Guardians series. Nick Belanger can't stop thinking about the single mother who lives next door. She's smart. She's funny. She's so beautiful he can't stare at her too long for fear his eyes will start to glow. But Kayla thinks he's just an ordinary guy who works in security. Finding out he instead is a powerful immortal warrior who hunts and slays psychotic vampires for a living may not go over well, particularly since she has a daughter she doesn't want to endanger. Kayla Dorman can keep neither her gaze nor her thoughts from straying to the man next door. Who can blame her really? He is the epitome of tall, dark, and handsome with smart, charming, and honorable thrown in. He's also a few years younger than her and surely would not be interested in a single mom who hasn't dated since her divorce. At least that's what she thinks until an accident nearly takes her life and Nick risks all to save her. The dynamics of their relationship swiftly change. The friendship they've developed over the years deepens into love as the two spend every minute they can together, laughing and teasing, never suspecting a threat may lurk in the shadows. But that threat soon strikes, making it clear that Nick is the target and his enemy doesn't care if Kayla gets caught in the cross fire. Though Kayla bravely rises to the occasion and is determined to do whatever it takes to help Nick defeat his enemy, Nick is terrified of losing her. Can he identify and eliminate his new nemesis before the man takes everything from him?
