### facts and norms in law interdisciplinary reflections on ...

Legal norms are often seen as a means to regulate behaviour when neither self-interest nor social norms produce the desired behaviour in individuals. This suggests, on the one hand, that the law should regulate those areas in which social norms do not exist and provide support and extra enforcement in those areas where social norms exist. It also suggests on the other hand that there seems to ...

### Facts and Norms in Law: Interdisciplinary Reflections on ...

Norms can be internalized, which would make an individual conform without external rewards or punishments. There are four types of social norms that can help inform people about behavior that is considered acceptable: folkways, mores, taboos, and law. Further, social norms can vary across time, cultures, place, and even sub-group. [1]

### 1.3. Social Norms: Folkways, Mores, Taboo, and Laws - SOU ...

*Between Facts and Norms* is a major contribution to current debates on the role of law and the prospects for the development of democracy in contemporary societies. Habermas develops a distinctive account of the nature of law, arguing that law is characterized by an internal tension between factual and normative aspects.

### Between Facts and Norms: Contributions to a Discourse ...

What role does empirical data play in law? How can we draw normative conclusions from empirical legal research? New insights in philosophy, the social sciences and the humanities have forced the relationship between facts and norms on to the agenda. This book presents an innovative set of perspectives on the relationship between descriptive and normative elements in legal inquiry and practice ...
