For us rabbits the game of golf is a constant battle between fantasy and reality. The great hopes and ambitions that accompany us on the first tee quickly evaporate by a combination of mother nature, gravity and the cruelest of luck. One of the charms of the Great Game is that we are constantly chasing what is, in theory, attainable but in reality highly elusive. It is a perpetual series of occasions for hope. David Feherty summed it up when he said; "Golf can best be defined as an endless series of tragedies obscured by the occasional miracle." It is astonishing how long the occasional miracle can remain in the memory to the total eclipse of all else. Golf is a game whose hook is baited with hope. This book is a compendium of quotes from players who have been similarly troubled by the journey from great hopes to cruel reality. I hope you enjoy their reflections.

Froggy and his dad celebrate Father's Day with a game of miniature golf, riding bumper boats, and practicing at the batting cages. Reprint.

The perfect golfing gift: A book that is a complete, working 9-hole miniature golf course, with miniature golf balls and putter included. The first book you can play through. The book that's a true original. Featuring nine themed courses, from pirates to dinosaurs to the classic windmill, *The Miniature Book of Miniature Golf* celebrates the silliness and the golf-for-everyone! attitude of Putt-Putt. Each page in the book is a cleverly designed hole, modeled on real mini golf courses. Tap the ball through the grooves and make sure to avoid the obstacles. Then see if you can get it in the clown's mouth on the last hole. Every hole is par fun.

"A transfixing book on how to sustain peak performance and avoid burnout" —Adam Grant, New York Times bestselling author of *Option B*, *Originals*, and *Give and Take* "An essential playbook for success, happiness, and getting the most out of ourselves." Arianna Huffington, author of *Thrive* and *The Sleep Revolution* "I doubt anyone can read *Peak Performance* without itching to apply something to their own lives." —David Epstein, New York Times bestselling author of *The Sports Gene* A few common principles drive performance, regardless of the field or the task at hand. Whether someone is trying to qualify for the Olympics, break ground in mathematical theory or craft an artistic masterpiece, many of the practices that lead to great success are the same. In *Peak Performance*, Brad Stulberg, a former McKinsey and Company consultant and writer who covers health and the science of human performance, and Steve Magness, a performance scientist and coach of Olympic athletes, team up to demystify these practices and demonstrate how you can achieve your best. The first book of its kind, *Peak Performance* combines the inspiring stories of top performers across a range of capabilities—from athletic to intellectual and artistic—with the latest scientific insights into the cognitive and neurochemical factors that drive performance in all domains. In doing so, *Peak Performance* uncovers new linkages that hold promise as performance enhancers but have been overlooked in our traditionally-siloed ways of thinking. The result is a life-changing book in which you can learn how to enhance your performance via myriad ways including: optimally alternating between periods of intense work and rest; priming the body and mind for enhanced productivity; and developing and harnessing the power of a self-transcending purpose. In revealing the science of great performance and the stories of great performers across a wide range of capabilities, *Peak Performance* uncovers the secrets of success, and coaches you on how to use them. If you want to take your game to the next level, whatever "your game" may be, *Peak Performance* will teach you how.

A spiritual journey, a lush travelogue, a parable of sports and philosophy—John Updike called this unique novel “a golf classic if any exists in our day.” When an American traveler on his way to India stops to play a round on one of the most beautiful and legendary golf courses in Scotland, he doesn’t know that his game—and his life—are about to change forever. He is introduced to Shivas Irons, a mysterious golf pro whose sublime insights stick with him long

after the eighteenth hole. From the first swing of the Scotsman's club, he realizes he is in for a most extraordinary day. By turns comic, existential, and semiautobiographical, Michael Murphy's tale traces the arc of twenty-four hours, from a round of golf on the Links of Burningbush to a night fueled by whiskey, wisdom, and wandering—even a sighting of Seamus MacDuff, the holy man who haunts the hole they call Lucifer's Rug. "Murphy's book is going to alter many visions," The New York Times Book Review declared. More than an unforgettable approach to one of the world's most popular sports, *Golf in the Kingdom* is a meditation on the power of a game to transform the self.

What is an elite NFL QB and what separates that player from the others? One answer is the coach they share. In the recent history of the biggest game on earth, one man is the common thread that connects several of the very best in the sport: Peyton Manning; Ben Roethlisberger; Andrew Luck; and the resurgent Carson Palmer. That coach is Bruce Arians. A larger than life visionary who trained under the tutelage of Bear Bryant, Arians has had a major impact on the development and success of each of these players. For proof beyond the stats, go to the sources. "Bruce is gonna love you when you need some loving, but he's gonna jump on you when you're not doing right." -- Peyton Manning "He coaches the way players want to be coached." -- Ben Roethlisberger "He made players comfortable around him and let everybody have their own personality. He didn't force anybody to be someone they weren't. It may sound a little corny or cheesy, but there's merit to that. I felt comfortable being myself and I felt he had my back." -- Andrew Luck "We're a resilient group. It trickles down from the head coach. I think good teams, really good teams, and hopefully great teams take on their coach's mentality. I think that's what B.A. brings . . ." -- Carson Palmer Known around the game as the 'quarterback whisperer', Arians has an uncanny ability to both personally connect with his quarterbacks and to locate what the individual triggers are for that player to succeed. No two quarterbacks are the same. And yet with Arians they always share success. In this book Arians will explain how he does it.

A Level 1 series that contains simple sentences and concepts.

The professional golfer provides tips on the grip, stance, and swing of successful golf shots

The slice haunts millions of golfers worldwide, but the answer is finally here. *Slice-Free Golf* will eliminate your banana ball and add more distance, consistency and fun to your game. In three easy steps, *Slice-Free Golf* will transform your weak slice into a powerful and consistent draw. *Slice-Free Golf* features dozens of drills specifically designed to cure the slice, a cut-out visual guide to success, hundreds of photos and much more. There are countless golf instruction books on the market, but *Slice-Free Golf* is the only one focused solely on curing the slice. A fun, easy-to-understand book that delivers fast, permanent results. Say goodbye to the banana ball! "If cutting the ball is frustrating you, please read *Slice-Free Golf*. By following Brian's program, you will also develop more consistency, greater distance off the tee, and more enjoyment on the golf course." -- Gary Player, winner of 18 Major Championships, including the career Grand Slam on both the PGA & Champions Tour. "I've played in pro-ams for nearly 25 years...By far, the most frustrated and miserable golfers were the slicers. Follow Brian's lead and leave your slice in the kitchen. Golf can be powerful, satisfying and fun for everyone...cool book!!!" -- Dottie Pepper, winner of 17 LPGA Tour events, including two major championships, Golf Commentator for NBC and The Golf Channel. PGA Professional and TV golf commentator Brian Crowell takes the golfer through three easy steps, all clearly explained and illustrated. In Step

One, he demonstrates his revolutionary approach to set-up that eliminates many of the golfer's most common faults. Step Two covers the swing itself without the mumbo jumbo that accompanies much golf instruction. In Step Three, you'll learn how to let nature take its course so you finish your swing with a smooth release. It all adds up to produce a powerful, consistent draw. Slice-Free Golf includes over two dozen drills to help you banish your banana ball forever. Using common items found in every household and golf bag, Crowell shows you how to break the bad swing habits that destroy your scores. Each drill is illustrated, explained and proven to produce results. The book also includes extensive bonus material about which clubs you should use, how to eat and stay fit for peak performance on the golf course, and how to conquer the mental game. "If you slice, Slice-Free Golf is a MUST read...well-written, with humor!" -- Scott McCarron, three-time winner on the PGA TOUR.
