products have been covered in detail under different chapters under milk products. This book has been prepared with emphasis on second year syllabus of Vocational higher secondary course on milk products and dairying and considering the lack

Online Library Hyundai R140w 9s Wheel Excavator

of a suitable textbook for this subject. Hence the book is expected to fill the gap of a textbook for the above said and similar courses. Also the book may be accepted as a textbook/manual for educated farmers, other teaching and

Online Library Hyundai R140w 9s Wheel Excavator

training programmes covering similar syllabus like that of dairy farm instructors and as a handbook for Veterinary Students and Dairy Extension Officers. With these introductory notes, we presume that the book will satisfy its readers' requirements and

form a valuable
textbook/reference book for all
those concerned with dairy
animal production and utilisation
of their products ultimately
benefiting the farming
community.
