Charlee Alan-Evans. 4-Mat Review: Integrative Approaches to Psychology and Christianity SUMMARY. In David Entwistle's book, Integrative Approaches to Psychology and Christianity (2010), he explores two potentially divergent disciplines: psychology and theology. He then considers whether integration of these two disciplines is attainable, desirable, or necessary (p. 16).

Integrative counselling, as the name suggests, is a combined approach to psychotherapy that brings together different elements of specific therapies. Integrative therapists take the view that there is no single approach that can treat each client in all situations. Rather, each person needs to be considered as a whole and counselling techniques must be tailored to their individual needs and personal circumstances.
