This book is useful for anyone who may find that they are drinking too much, for the loved ones of such people, and for clinicians who want to broaden their skills when working with people who struggle with alcohol.

Pub crawl your way through the sacred seasons with this entertaining and useful collection of cocktail recipes, distilled spirits, beer, and wine for virtually every occasion on the Catholic liturgical calendar. One part bartender's guide, one part spiritual manual, a dash of irreverence, and mixed with love: *Drinking with the Saints* is a work that both sinner and saint will savor.

Four men gather in a London pub. They have taken it upon themselves to carry out the last orders of Jack Dodds, master butcher, and deliver his ashes to the sea. As they drive towards the fulfillment of their mission, their errand becomes an extraordinary journey into their collective and individual pasts. Braiding these men's voices, and that of Jack's widow, into a choir of sorrow and resentment, passion and regret, Swift creates a testament to a changing England and to enduring mortality. "Swift has involved us in real, lived lives...Quietly, but with conviction, he seeks to affirm the values of decency, loyalty, love."--New York Review of Books "A beautiful book...a novel that speaks profoundly of human need and tenderness. Even the most cynical will be warmed by it."--San Francisco Chronicle

Travelers can drink in all the atmosphere, history, and beer that Munich has to offer with this updated guide to the best watering holes in the beer-drinking capital of the world. More than 70 of Munich's best beer gardens, beer halls, pubs, and late-night hot spots are listed in detail. The colorful histories behind them are included, along with detailed maps and instructions on how to find each place. Information on Oktoberfest and other beer festivals make this guide as practical as it is entertaining. This revised edition pays for itself three times over with the enclosed beer coupons from some of Munich's most prized beer gardens. From Am Hopfengarten to Zur Schwaige, this guide's wisdom will make any trip to the Beer City a truly unforgettable travel experience.

It's no accident that Jesus' first miracle was turning water into wine! Written by an Episcopalian priest-slash-bar owner, this thoughtful, well-written book of spiritual essays distills lessons about the character of God from stories about adult beverages. "Oh taste and see that the Lord is good." —Psalm 34:8 Being upright does not mean you have to be uptight—at least according to Father Bill Miller, an Episcopal priest/bar owner. As a fan of both spirits and the Holy Spirit, he is very familiar with the intoxicating lure of some of God's finer creations, and in *The Beer Drinker's Guide to God* he brews up insightful, beautifully written reflections about the strange intersections of God, and, well...beer. In this humorous collection of essays, he weaves together stories from his life in ministry, his travels in search of the world's best Scotch, his conversations with Trappist monks, and colorful evenings in his bar, Padre's. He also reflects on the lessons he's learned from baseball, Playboy bunnies, Las Vegas, and his attempts to become chaplain to the Dallas Cowboy cheerleaders, all while (somehow) crafting essays about the spiritual importance of generosity, sacrifice, openness, and spiritual transformation. Really. Essays include: -WWJD: What Would Jesus Drink? -Brewed Over Me and Distill Me, O Lord -Pearls of Great Price -Chicken Soup for the Hooters Girl's Soul -Miss Hawaii and Other Miss Takes -Don't Leave me Hanging: The Theological Significance of Athletic Supporters From the deeply touching to the laugh-out-loud funny, these stories ultimately open our minds to the glory of God and our mouths to some of God's more delicious creations. *The Beer Drinker's Guide to God* is a smart, hilarious book for those thirsty for God's truth.

In the twenty-first century, public health is everyone's business. The nursing and medical professions are well placed to provide advice to their clients, especially in respect to lifestyle change, and public health initiatives are supported by a range of statutory and voluntary organisations and health workers, ranging from health promotion specialists to smoking cessation advisers and nutrition assistants. Designed to help readers develop the practical skills they need to become effective public health practitioners, this concise text gives an easily digested overview of public health and health promotion theory in accessible language and diagrams, before moving on to the ways readers can apply this in practice. Providing an opportunity for practitioners to understand possible barriers to lifestyle change, debate health inequalities and responsibilities, and explore the role of the media in changing attitudes, it: Outlines the roles of specific organisations involved in the work of public health work. Covers health needs assessment, agenda setting and the technical aspects of how to research plan and evaluate effective practice either with individual clients or when devising programmes and

initiatives for population groups. Details methods of helping people with motivation for lifestyle change, building rapport, ongoing support, monitoring and signposting to specific services. Discusses role of neighbourhoods and communities in improving health and how workers may support local populations to improve the health of their community. The Essential Guide to Public Health and Health Promotion is an accessible introduction to the principles and practice of health promotion and public health for all those new to working or studying in the area, whatever their professional background.

Professional Drinking brings you on a spirited tour of entertaining around wine and spirits, the basics of booze, how to handle yourself like a pro in a restaurant, at a business event, on a social occasion, and at home.
