Golding's iconic 1954 novel, now with a new foreword by Lois Lowry, remains one of the greatest books ever written for young adults and an unforgettable classic for readers of any age. This edition includes a new Suggestions for Further Reading by Jennifer Buehler. At the dawn of the next world war, a plane crashes on an uncharted island, stranding a group of schoolboys. At first, with no adult supervision, their freedom is something to celebrate. This far from civilization they can do anything they want. Anything. But as order collapses, as strange howls echo in the night, as terror begins its reign, the hope of adventure seems as far removed from reality as the hope of being rescued.

A plane crashes on a desert island and the only survivors, a group of schoolboys, assemble on the beach and wait to be rescued. By day they inhabit a land of bright fantastic birds and dark blue seas, but at night their dreams are haunted by the image of a terrifying beast. As the boys' delicate sense of order fades, so their childish dreams are transformed into something more primitive, and their behaviour starts to take on a murderous, savage significance. First published in 1954, Lord of the Flies is one of the most celebrated and widely read of modern classics. Now fully revised and updated, this educational edition includes chapter summaries, comprehension questions, discussion points, classroom activities, a biographical profile of Golding, historical context relevant to the novel and an essay on Lord of the Flies by William Golding entitled 'Fable'. Aimed at Key Stage 3 and 4 students, it also includes a section on literary theory for advanced or A-level students. The educational edition encourages original and independent thinking while guiding the student through the text - ideal for use in the classroom and at home.

Read Online Lord Of The Flies Literature Made Easy Series

Before The Hunger Games there was Lord of the Flies Lord of the Flies remains as provocative today as when it was first published in 1954, igniting passionate debate with its startling, brutal portrait of human nature. Though critically acclaimed, it was largely ignored upon its initial publication. Yet soon it became a cult favorite among both students and literary critics who compared it to J.D. Salinger's The Catcher in the Rye in its influence on modern thought and literature. William Golding's compelling story about a group of very ordinary small boys marooned on a coral island has become a modern classic. At first it seems as though it is all going to be great fun; but the fun before long becomes furious and life on the island turns into a nightmare of panic and death. As ordinary standards of behaviour collapse, the whole world the boys know collapses with them—the world of cricket and homework and adventure stories—and another world is revealed beneath, primitive and terrible. Labeled a parable, an allegory, a myth, a morality tale, a parody, a political treatise, even a vision of the apocalypse, Lord of the Flies has established itself as a true classic. "Lord of the Flies is one of my favorite books. That was a big influence on me as a teenager, I still read it every couple of years." —Suzanne Collins, author of The Hunger Games "As exciting, relevant, and thought-provoking now as it was when Golding published it in 1954." —Stephen King

First published 1954.; This title is also available as a film.

Lord of the Flies: An Instructional Guide for Literature provides lesson plans and activities for this classic young adult novel. This valuable resource guides teachers with ways to help students comprehend complex literature. Text-dependent questions help students analyze the text with higher-order thinking skills, with lessons focused on story elements, vocabulary, and more. Close reading activities throughout the literature units encourages students to use textual evidence as they revisit passages to respond more critically about the text. With various methods of assessing comprehension, this instructional guide offers strategies for cross-curricular activities as students build a greater understanding of this great literary work.

During The Post-War Years The Experimental Tendency In British Novel Continued, But The Critics Lamented That The Mid-Twentieth Century British Literature Produced No Ulysses. William Golding S Lord Of The Flies (1954) Was Accepted As An Experiment With The Restoration Of Fable In English Fiction, A Reconstruction At An Adult Level Of R.M. Ballantyne S Coral Island. Thanks To The Nobel Prize Awarded To Golding In 1983, Lord Of The Flies Came To The Limelight And Its Underlying Philosophy Has Been Variousy Interpreted Since Then. In The Face Of An Upsurge In Golding Criticism, And More Specifically, In Lord Of The Flies, The Novel Demands Fresh Discussions. The Present Book Seeks To Acquaint The Readers First With The Theme Of The Novel, And Then With The Discourses Invited By The Theme. A Detailed Analysis Of Each Of The Chapters Of The Novel Is The Special Attraction Of This Critical Study. It Is Not Just A Summary, But A Critical Analysis Of The Events, Symbols, Images And Reflections Of The Characters Introduced In The Novel. The Chapter-Wise Discussion Will Inspire The Readers To Go Through The Original Text Thoroughly For Having A First Hand Knowledge Of Golding S Art. It Will Also Help The Readers To Develop An Understanding Of Golding As A Novelist Even Before Reading The Original Text. The Chapters On Golding S Concept Of Evil And The Innate Depravity Of Man, Potential Savagery Of Children, Sin And Expiation, The Post-World War Scenario And Elements Of Post-Colonial Writing Are Designed To Project Lord Of The Flies As A Post-Colonial Novel Of Ideas. The Book Also Contains Separate Chapters On Narrative Skill, Characterization, Plot And Structure Which Are Helpful For The Students. The Discussion Is Marked By A Critical Insight That Serves Not Only The Advanced Scholars But Also The Common Students Who Will Be Benefited By The Lucid Presentation.

Presents essays that examine the treatment of violence in "Lord of the Flies," discussing such topics as puberty, male violence, innate corruption, and class violence.

The classical study of human nature which depicts the degeneration of a group of schoolboys marooned on a desert island.
