THE INSTANT NEW YORK TIMES BESTSELLER "This year's most erotic novel makes Fifty Shades look like the Bible. . . . Bound to be the It beach book of the summer." -- New York Post By day, Judith Rashleigh is a put-upon assistant at a prestigious London art house. By night, she's a hostess at one of the capital's notorious champagne bars, although her work there pales against her activities on nights off. TO GET WHAT SHE WANTS Desperate to make something of herself, Judith knows she has to play the game. She's transformed her accent and taught herself about wine and the correct use of a dessert fork, not to mention the art of discretion. She's learned to be a good girl. But when Judith is fired for uncovering a dark secret at the heart of the art world--and her honest efforts at a better life are destroyed--she turns to a long-neglected friend. A friend who kept her chin up and back straight through every slight: Rage. SHE WILL CROSS EVERY LINE Feeling reckless, she accompanies one of the champagne bar's biggest clients to the French Riviera, only to find herself alone again after a fatal accident. Tired of striving and the slow crawl to the top, Judith has a realization: If you need to turn yourself into someone else, loneliness is a good place to start. And she's been lonely a long time. Maestra is a glamorous, ferocious thriller and the beginning of a razor-sharp trilogy that introduces the darkly irresistible Judith Rashleigh, a femme fatale for the ages whose vulnerability and ruthlessness will keep you guessing until the last page.

In this riveting sequel to the instant New York Times bestseller, Maestra, femme fatale Judith Rashleigh once again leads readers into the mesmerizing and dangerous underworld of Europe's glamorous elite. Since opening her own art gallery in Venice, Judith Rashleigh--now Elisabeth Teerlin--can finally stop running. She's got the paycheck, lifestyle, and wardrobe she always dreamed of, not to mention the interest of a Russian billionaire. But when a chance encounter in Ibiza leads to a corpse that is, for once, not her own doing, she finds her life is back on the line--and she's more alone than ever. It seems Judith's become involved with more than just one stolen painting, and there is someone else willing to kill for what's theirs. From St. Moritz to Serbia, Judith again finds herself maneuvering the strange landscapes of wealth, but this time there's far more than her reputation at stake. How far will Rage take Judith? Far enough to escape death? The second installment in an unforgettable trilogy, Domina is the next sexy, ruthless, and decadent thriller from mastermind L. S. Hilton, and an adventure that will push Judith further than even she imagined she could go.

The shockingly audacious conclusion to the international bestselling phenomenon that began with Maestra. If you can't beat them - kill them First there was Maestra. Then there was Domina. Now - there is Ultima. Glamorous international art-dealer Elisabeth Teerlin knows a thing or two about fakes. After all, she is one herself. Her real identity, Judith Rashleigh, is buried under a layer of lies. Not to mention the corpses of the men foolish enough to get in her way. But now, caught in the murderous crossfire between a Russian Mafia boss and a corrupt Italian police detective, Judith is forced to create an even more daring work of art - a fake masterpiece she must take to the world-famous auction house where she used to be a lowly assistant and sell for \$150 million. For Judith the prospect of putting one over her loathsome former employer and the world's art establishment is almost as thrilling as the extreme sex she's addicted to - especially when the price of failure is a bullet in the back of the head. But exposing her new identity to the glare of the spotlight puts her at risk of an even greater danger. Like a beautiful painting stripped of its layers of varnish, something altogether different could be revealed. A truth about her past even Judith might find shocking.

"With the cunning of Gone Girl's Amy Dunne, and as dangerous as The Girl with the Dragon Tattoo's Lisbeth Salander, the femme fatale of this Talented Mr. Ripley-esque psychological thriller is sexy, smart, and very, very bad in all the best ways"--

The Winter Children is a haunting mystery from Lulu Taylor, author of *The Snow Angel*. Behind a selfless act of kindness lies dark intentions . . . Olivia and Dan Felbeck are blissfully happy when their longed-for twins arrive after years of IVF. At the same time, they make the move to Renniston Hall, a huge, Elizabethan house that belongs to absent friends. A little boy and his grandfather embark on a quest to find the old man's missing birthday in Diana Rosie's debut novel, *Alberto's Lost Birthday*. Alberto is an old man. But he doesn't know how old - he remembers nothing before his arrival at an orphanage during the Spanish civil war. He rarely thinks about his missing childhood, but when seven-year-old Tino discovers his grandfather has never had a birthday party, never blown out candles on a birthday cake, never received a single birthday present, he's determined things should change. And so the two set out to find Alberto's birthday. Their search for the old man's memories takes them deep into the heart of Spain - a country that has pledged to forget its painful past. As stories of courage, cruelty and love unfold, Alberto realises that he has lost more than a birthday. He has lost a part of himself. But with his grandson's help, he might just find it again.
