Exploring Management supports teaching and learning of core management concepts by presenting material in a straight-forward, conversational style with a strong emphasis on application. With a focus on currency, high-interest examples and pedagogy that encourages critical thinking and personal reflection, this text is the perfect balance between what students need and what instructors want.

Strategic Management is a core strategy textbook, covering all the major topics particularly from a global perspective. It delivers comprehensive coverage of the subject in an easy-to-read style with extensive examples and a range of free support material that will help you learn actively and effectively. This eighth edition of Strategic Management builds on proven strengths . . . · over 70 short case studies to provide easily accessible illustrations of strategy in practice and additional cases available online to provide more in-depth examples of recent strategic decisions involving Sony, Apple and industry sectors · a continuous contrast between prescriptive and emergent views of strategy to highlight the key debates within the discipline · emphasis on practice throughout with features to help you turn theory into practice · major international strategy cases from Europe, Africa, China, India, Middle East and the Americas · clear exploration of the key concepts · comprehensive, logical structure to guide you through this complex subject · Specialist chapters on public/third sector strategy, green strategy and sustainability, entrepreneurial strategy and international and global strategy New for the eighth edition: - Dynamic capabilities and resource renewal explored in a revised and updated chapter - Emergent strategy completely revised in two new chapters, one focusing on innovation, and technology and the other exploring knowledge and learning - New material on innovation and strategy in uncertain environments - Case studies from large and small organisations from Google, Spotify and Cadbury to Snapchat, Uber and green energy companies with 14 new cases and many cases updated This new edition also includes a wealth of free, online, open-access learning resources. Use these materials to enhance and test your knowledge to improve your grades. Online resources include web based cases with indicative answers, chapter based support material, long cases and multiple-choice questions. Richard Lynch is Emeritus Professor of Strategic Management at Middlesex University, London. He is an active researcher, lecturer and consultant, particularly in the area of global strategy and sustainable strategy.

Successful project management requires organization, skill, and a systematic approach to ensure that projects are delivered on time, and on budget. Idiot's Guides: Project Management, 6th Edition is updated to reflect all of the latest project management methodologies for anyone who is looking to avoid the chaos that can ensue if project leaders don't possess the necessary understanding of the right principles and practices. Readers of this new edition will benefit newly added sample PMP prep exam questions at the end of each chapter, as well as newly organized, updated content that aligns with the knowledge areas as the PMI (Project Management Institute) defines them. The book covers the 5th Edition of the PMBOK (Project Management Body of Knowledge).

Now in its tenth edition, Management continues to offer a practical, student-oriented approach to four central themes: change, diversity, ethics, and globalization. Author Robert Kreitner relies on more than 30 years of research and teaching experience to ensure that students gain a solid understanding of management principles. In addition to coverage of timely and relevant issues such as corporate responsibility, the text promotes skill development through hands-on exercises and team-building activities. With all data and examples updated to reflect current trends, the Tenth Edition integrates issues from popular culture and media, putting topics in context and engaging students. A range of pedagogical features--including in-text and video cases, Internet activities, and interactive annotations--support students as they prepare for the rigors of contemporary management.

This third edition prepares entrepreneurs for the rewards and pitfalls of this career choice. It explores a new theme on how to effectively manage a start-up company. Focus on Real Entrepreneurs sections highlight how entrepreneurs position their companies to meet the various marketing, financial, and technological challenges. Management Track sections present key management issues while following the development of a real company. Entrepreneurs will also find real situations and examples on which they can practice the broad range of skills required to start and build a company in today's complex world.

For MBA level Marketing Management and/or Marketing Strategy courses, or a capstone undergraduate marketing course. Strategic, applied, and performance-oriented. While most textbooks in this area stress concepts and theory, Market-Based Management, 4e, incorporates a more strategic and applied approach. External performance metrics of a business are emphasized and actual measurement tools are provided. Its streamlined organization makes it ideal for courses in which outside cases and readings will be assigned.

Now in its sixth edition, this highly-regarded book is designed as an introductory text on the principles of diagnosis, staging and treatment of tumours. The new edition: Includes up-to-date information on the most recent techniques and therapies available Emphasises the importance of multidisciplinary teamwork in the care of cancer patients Highlights frequent dilemmas and difficulties encountered during cancer management Features the important contributions of a new author Professor Daniel Hochhauser Contains a brand-new two-colour design As with previous editions, the first part of the book is devoted to the mechanisms of tumour development and cancer treatment. This is followed by a systematic account of the current management of individual major cancers. For each tumour there are details of the pathology, mode of spread, clinical presentation, staging and treatment with radiotherapy and chemotherapy. This accessible and practical resource will be invaluable to trainees in oncology, palliative care and general medicine, as well as specialist nurses, general practitioners, medical students, and professions allied to medicine. This title is also available as a mobile App from MedHand Mobile Libraries. Buy it now from Google Play or the MedHand Store.

Hospitality Marketing Management, 6th Edition explores marketing and themes unique to hospitality and tourism. The 6th edition presents many new ideas along with established marketing principles, exploring not only the foundations of marketing in the hospitality world but also new trends in the industry.

Principles and Practice of Sport Management, Third Edition, provides students with solid fundamental information on what they need to do to be successful in the sport industry. Updated and expanded, this best-selling text offers a unique blend of information on the foundations and principles on which sport management operates as well as how to apply those foundations and principles to the sport industry. The authors, all well-renowned professors in sport management or sport administration, have produced a text that is thorough, practical, and lively, and which lays the groundwork for students as they study and prepare for successful careers in sport management.
