Yezidis: Melodies of Mourning and Remembrance In this article Kasia Micklem explores the revival of musical traditions among Yezidi communities in refugee camps in Iraq and argues that through music the ostracised populace is able to preserve its history, identity and heritage despite systematic attacks by the so-called Islamic State to erase the non-Muslim ' other ' .

Yezidis: Music & Mourning | LSE International History

Melodies of Mourning invites the reader to rethink the place of ecology in music and emotion and how emotions transcend cultural difference. It explores senses of the environment in the Northern Territory of Australia and how sentiments of place and belonging are performed in song. It argues that the environment is not just a mnemonics for singing and dancing but the basis of performing and ...
