History. Knitted garments found in Norway have been dated as far back as between 1476 and 1525. Some of the most well known sweater patterns attributed to Norwegian colorwork knitting are the Setesdal Lusekofte and the Fana Fanacofte patterns. Selbu in Sør-Trøndelag county is also well known for the Selburose pattern motif. Selbu mittens first appeared as a vertical column of two snowflakes on the front side of the mittens.
