Fly Fishing Zen: Getting Started with Tenkara

Tenkara is a Japanese style of fly fishing that has been around for at least 200 years although historical documentation is limited so this is an estimate. According to Wikipedia Tenkara literally means “fishing from heaven” or “fishing from the skies” and is a simple style of fishing practiced in Japan.

The Japanese Fly-Fishing Style - Tenkara - Fishing From ...

Tenkara is a method of fly fishing that originated in the mountains of Japan and has now developed into a

Colorado | Outside Online  
Tenkara is the traditional style of fly fishing that originated from Japan. This simple yet elegant style of fishing employs only a rod, line, and fly. Because this is a fixed line style of fly fishing, it allows the angler to present the fly with delicacy and precision. The Tiny Ten takes these traditions and tailors them to the small mountain creeks unreachable by all other full length rods on the market.

long rod, imparting an element of highly functional simplicity. At the same time, the Tenkara rig can turn over a cast of such grace that it nearly guarantees a light and effective presentation. Casting is so simple it is nearly intuitive, and can be learned in minutes.

Modern-day fly fishing, like much in life, has become exceedingly complex, with high-tech gear, a confusing array of flies and terminal tackle, accompanied by high-priced fishing guides. This book reveals that the best way to catch trout is simply, with a rod and a fly

# Get Free Tenkara Japanese Style Fly Fishing

and not much else. The wisdom in this book comes from a simpler time, when the premise was: the more you know, the less you need. It teaches the reader how to discover where the fish are, at what depth, and what they are feeding on. Then it describes the techniques needed to present a fly at that depth, make it look lifelike, and hook the fish. With chapters on wet flies, nymphs, and dry flies, its authors employ both the tenkara rod as well as regular fly fishing gear to cover all the bases.

Illustrated by renowned fish artist James Prosek, with inspiring photographs and

The History of Fly-Fishing in Fifty Flies recounts the history of a sport that dates back 2,000 years, focusing on milestone flies from the first feathered hook to contemporary patterns using cutting-edge materials. Among the countless fly patterns created over the centuries, these 50 have been carefully chosen to represent the development not only of the flies themselves, but also of fly-fishing techniques—and of rods, lines, and reels. These iconic flies also chart the spread of this addictive sport from its modern

# Get Free Tenkara Japanese Style Fly Fishing

origins on the chalk streams of southern England and the rivers of Scotland to the U.S., Europe, South America, Australia, and now to every country in the world. Filled with profiles of the key characters involved, tying tips, photographs and illustrations of the flies, and detailed explanations of the techniques used to fish them, *The History of Fly-Fishing in Fifty Flies* is a fascinating companion to the evolution of this fascinating sport.

New Hampshire's hard and rugged exterior protects one of America's richest native brook trout fisheries. These

# Get Free Tenkara Japanese Style Fly Fishing

abundant waters are as varied as the landscape, from Mount Washington to peaceful meadows. The anticipation of the largest mayfly hatch contrasts with the quiet, deep waters of holding pools, and anglers are rewarded when they learn how to read the rivers and streams. Remote areas such as the Perry Ponds may require an entire day, while more accessible waters such as Mink Brook still provide excitement. With more than fifty years of experience, Steve Angers reveals some of his favorite spots and details what it takes to be successful when fishing in the Granite State.
