A little duck finds adventure on the Yangtze River when he is too late to board his master's houseboat one evening.

In this account of how the novel reorients philosophy toward the meaning of existence, Yi-Ping Ong shows that the existentialists discovered a radical way of thinking about the relation between the form of the novel and the nature of self-knowledge, freedom, and the world. At stake are the conditions under which knowledge of existence is

With the visual ingenuity of Press Here and the emotional resonance of What Do You Do with a Problem?, this wise and timely book about the fragile art of personal connection will strike a chord with children and adults alike. In the era of social media, communication feels both more anxiety-producing, and more inescapable, than ever before. This clever, comforting picture book debut explores the challenges and joys of self-expression and social connection. Using an imaginative visual metaphor to bring to

Yutaka "Peco" Hoshino have been playing table tennis since they were kids, but as they enter high school, they find that the game has changed. Seeing potential in them that they themselves don't fully realize, the coach recruits them for the school team. Bringing out their best will mean challenging the top players from rival schools in the summer tournament, including an ace Chinese exchange student who almost made the Olympic team. With the pressure on, can Smile and Peco take the heat and make it into the finals? -- VIZ Media

Things have changed since the last inter-high tournament. Peco has quit the game, and “Smile” Tsukimoto's desire to play is gone. Even “Demon” Sakuma has been kicked off the Kaio team. But Coach Koizumi isn't going to let all that talent go to waste and launches a plan to get Tsukimoto back on the team and into top condition. Every great athlete needs a great rival to push them past their limits, and Peco and Smile—friends since they were children—must now challenge each other to become the heroes they always dreamed they could be. -- VIZ Media

A renowned diagnostician shares stories of his patients and explores the importance of the human factor in medicine. In The Art of Medicine, Toronto Western Hospital's internist Dr. Herbert Ho Ping Kong draws on his vast dossier of personal cases and five decades as a clinician to examine the core principles of a patient-centered approach to diagnosis and treatment. While HPK, as he is fondly known, recognizes and applauds the many invaluable innovations in medical technology, he makes the point that as disease and its management grow increasingly complex, physicians must learn to develop an
