The Mindful Path through Shyness: An Interview with Steve ...

A Mindful Path Through Shyness If you too are shy you can probably relate to this pain. Fearing the judgments and rejection of others, you avoid them and find yourself principally in a relationship with your own thoughts and feelings. Unfortunately, often this isn't such a great relationship.

Is Shyness Holding You Back? - Mindful

The mental and behavioral habits of shyness that cause suffering operate unconsciously and automatically, whereas the intentions of mindfulness are conscious and deliberate. As you make the shift from unconscious to conscious and from reacting to responding your self- concept and habits of mind will seem less substantial and locked in stone.
