| This is a compilation of the many letters sent to the author by women sharing their most intimate sexual fantasies about topics such as masturbation, oral sex, sex with more than one man, lesbian sex and anal sex. In her extended introduction to these erotic fantasies the author compares the fantasies of today's women with those featured in her previous book, <i>My Secret Garden</i>. She concludes that despite everything the fantasies of the women of the 1990s are more liberated, more experimental and more outrageous than those of the women of the 1970s. She also notes a tendency for younger women to be freer of guilt about explicit sexual fantasizing. Nancy Friday is the author of <i>Men in Love</i>. |

| In a post-50 Shades of Grey world, a new audience is ready for Nancy Friday’s groundbreaking work on female sexual fantasies. <i>Women on Top</i> explores the changing face of sex and power dynamics through over 150 collected fantasies from real women. More than ever before, women everywhere are devouring the hottest stories from behind closed doors, tales of sexual encounters designed to create new frissons of excitement with each turn of the page. But the fantasies in this book aren’t fiction. They are the real erotic imaginings of real women . . . and nothing is more exciting than that. Nancy Friday, whose collections of women’s sexual fantasies include <i>My Secret Garden</i> and <i>Forbidden Flowers</i>, offers up “a smorgasbord of sensual scenarios” (<i>New Women</i>) in this explicit New York Times bestseller that puts women in control of their sexual destinies. Nearly two hundred women contributed, in their own uncensored words and through interviews with the author, the shocking, daring, amusing, untamed, and pulse-pounding imaginings that turn them on the most. “The fantasies are fascinating,” raves <i>Esquire</i> magazine, no doubt because unlike anything any novel could ever truly capture, they allow open access to what women really desire. |

| Reflections on how physical appearance, and beliefs about it, affect women’s lives from a #1 bestselling author who’s “enormously fun to read” (The New York Times). Beauty and appearance play a pervasive role in our culture. Here, the #1 New York Times-bestselling author of the groundbreaking, controversial bestseller <i>My Secret Garden</i> delves into beauty’s influence on popular media and the psyche of modern women. Combining in-depth cultural analysis with personal anecdotes, sexology, and individual case studies, Nancy Friday explores the dissatisfaction women feel about their bodies—and how it affects their sexual freedom. Her analysis is broad-reaching, examining how popular culture, advertising, stereotypes of women in the workplace, the sexual liberation of the 1960s, and the dynamics of family relationships put pressure on women to live up to an impossible feminine ideal. Also published under the title <i>Our Looks, Our Lives</i> |

| A collection of women’s intimate erotic thoughts by the #1 New York Times–bestselling author of <i>The Secret Garden</i> and “liberator of the female libido” (Newsday). The publication of the groundbreaking expose on women’s sexual fantasies, <i>My Secret Garden</i> , ushered in a revolution in women's sexual freedom of expression. In <i>Forbidden Flowers</i> , Nancy Friday reveals even more erotic, wild, and explicit fantasies expressed by women all over the world, from all ethnic and socioeconomic backgrounds. Like <i>My Secret Garden</i> before it, <i>Forbidden Flowers</i> is a celebration of the depth, potency, and imaginative breadth of women’s inner erotic lives. By giving female readers a glimpse into the ordinary and often extraordinary fantasies of other women, it offers to some an exhilarating freedom from the guilt and shame so often associated with sexual fantasy—and to others, provides fascinating insight into the psychology of female sexual response. “The author whose books about gender politics helped redefine American women’s sexuality.” — <i>The New York Times</i> |

| This is a book about men who love women. But it is not a collection of love stories. It is a study of the secret, erotic fantasies that men have always kept hidden, a taboo-shattering investigation that reveals the deepest, most conflicting feelings that men have about women, men and their own sexuality. <i>Men in Love</i> goes beyond the socio-sexual cliché of woman seen as either madonna or whore to reveal the conflict of love and rage at the centre of men’s emotions and erotic desires. Based on thousands of candid responses from men ranging from their teens to their sixties, <i>Men in Love - startling and shocking - will change men’s deepest feelings about their sexuality and make the women who care about them understand them as never before.</i> |

| The bestselling author of <i>My Secret Garden</i> exposes the wild and sexy fantasies that many of us have but are afraid to share. For over thirty years, Nancy Friday has written about eros, love, beauty, and seduction. Now she returns to the territory she pioneered during the sexual revolution—exploring our most taboo sexual desires. Fans of <i>Fifty Shades of Grey</i> will love this provocative collection of real fantasies from dozens of women—and for the first time, men. Friday knows that forbidden sex “gets us higher faster” and explores love, lust and power through erotic tales of domination, masturbation, S&M, threesomes, and more. <i>Beyond My Control: Forbidden Fantasies in an Uncensored Age</i> shows that our forbidden fantasies are not compensation for a lackluster sex life, but are a critical component of our fullest selves—and how our secret desires can lead to exhilarating and satisfying sexual freedom. Praise for Nancy Friday “YOU’LL BLUSH, YOUR PULSE WILL RACE.”—<i>The New York Times</i> “Delicious... women can share in their sisters' secrets and not feel that they are alone.”—<i>Los Angeles Times</i> “Nancy Friday’s work... demonstrate[s] beyond doubt that the emancipation of women’s bodies begins with the emancipation of our minds.” —Faye Wattleton, former president, Planned Parenthood Federation of America |

| An extraordinary, explicitly masculine journey, <i>Men In Love</i> develops a startlingly honest portrayal of what it means to be a man in contemporary America. Here are the unexpurgated dreams, fantasies and fetishes that excite and obsess men today. In creating this historic study, Nancy Friday listened--without disapproval, apology or censorship--to the candid responses of thousands of men aged fourteen through sixty. She gave them a legitimate arena where they could share their “secret gardens”--the hidden and forbidden but nonetheless real and true. Much more than a litany of erotica, this unique volume doesn’t tell us how men should love. It tells us how men do love--a stunning insight into the desires that dwell within men’s psyches... and their hearts. |
