Apathy stands in way of youth's political participation ...

Politics is typically regarded as a space for politically experienced men, and while women are often disadvantaged in accumulating experience to run for office, young people are systematically marginalized because of their young age, limited opportunities, and projected lack of experience. As the increased political participation of women benefits society as a whole, the presence of young people in decision-making positions benefits all citizens and not just youth.

Youth Political Participation | International Knowledge ...

Youth participation actively involves young people in decision-making processes on issues that affect them. Young people make invaluable contributions to communities and are empowered themselves when they participate. This article is aimed at those people whose job it is to work with young people.

Youth participation and engagement explained · Yerp

These are some key questions that arise when reading *Young Citizens and Political Participation in a Digital Society*, by Philippa Collin, *Running from Office*, by Jennifer Lawless and Richard Fox, and *Youth and Generation* by Dan Woodman and Johanna Wyn. In this review essay, these books are critically analysed alongside existing relevant literature to explore the ways young people today engage ...

What's stopping Zimbabwe's young people from participating ...

Youth participation is the active engagement of young people throughout their own communities. It is often used as a shorthand for youth participation in any many forms, including decision-making, sports, schools and any activity where young people are not historically engaged.

Youth participation - Wikipedia

Youth Scotland is the largest national youth work organisation in Scotland, supporting 66,000 young people, 1,450 youth groups and over 8,200 youth workers. Youth Scotland has been around since the early 20th century and has a diverse membership network – from small rural youth groups to large urban projects. The common goal that we all share is better outcomes for young people.

Youth Participation | Youth Scotland

"Contrary to common belief, youth are actually very in-volved in politics," Shteivi said. According to a survey by the centre, youth organise and participate in protests, distribute flyers during parliamentary elections, express their thoughts on social media, and vol-unteer — all without being "formally" enrolled in a political party.
